

National Institute of Lactation Education

Empowering India's Growing Lactation Professionals

Nationally & Internationally Recognized
Evidence Based Curriculum
Interactive Learning Modules
Thriving Lactation Community

National Institute of Lactation Education

From the Executive Director

Greetings from Begin Ed India!!

Begin Ed India celebrates another great season, growing in impact and connection across India. Over 10 lakh families are receiving skilled lactation care throughout key communities each year from BEI's Graduates.

May we continue to come together: to protect, promote, and support skilled lactation care in all locations, cities, and in the entire beautiful country of India.

Until all families receive skilled lactation care,

Dana Hardy

Executive Director,

Begin Ed India

**IBCLC, ACLP, IYCF/CS,
CCE, MA, RN/BSN, BSc**

A message from our Executive Director on how it all began.

Course Highlights

“Thanks to the Begin Ed India Team supporting new lactation students and impacting social change in the field of lactation.”

Dr Dipalee Patel
BEI Grad
ACLP, IBCLC, BHMS
Vadodara, Gujarat

Birth Implications on the Early Breastfeeding Journey

Supporting Lactation from the Labor Room

Setting Up a Milk Bank in Your Community

Skilled Lactation Support First: When are Gadgets Necessary?

Clinical Case Discussions

My favourite part of Begin Ed India's course is the way the evidence-based, interactive learning system introduces us to the field of lactation. I will use this knowledge to provide support to mothers and parents during lactation and beyond.
